

KYLE VENA

UX/UI DESIGNER

HYBRID / REMOTE
DALLAS TX

PORTFOLIO

KYLEVENA.com

NETWORK

Linkedin.com/in/kylevena/

As a designer, I strive to integrate aesthetics, functionality, and significance into a cohesive unit. I believe that great design should not only look visually appealing but also serve a purpose, solve problems, and communicate emotions through its visual elements. It's my goal to uncover the deeper layers of design and create meaningful experiences that resonate with users.

HIGHLIGHTED SKILLS
